

AWS Account Creation

Creating an AWS Account: A Step-by-Step Guide

Before creating your AWS account, make sure you have the following prerequisites ready:

- Credit card/Debit card (Visa/RuPay/Mastercard)
- Mail ID
- Mobile Number
- Pan card (optional)
- Address

Summarized:

Follow these five simple steps to create your account:

1. Visit the AWS homepage and select "Create an AWS Account".
2. Enter your email address, create a password, and then click "Continue".
3. Enter your personal information and click "Create Account and Continue".
4. Enter your payment information and click "Verify and Add".
5. Review and confirm your account details, then click "Create Account".

STEP-1:

Go to the link:

https://portal.aws.amazon.com/gp/aws/developer/registration/index.html?refi_d=09863622-0e2a-4080-9bba-12d378e294ba
